Dated: 03-02-2020

ORDER

The system of generation of **online WQSC (Weight, Quality & Stock Certificate) against receipt of CMR** was started vide Order No. 142-SS/FS/O/Sectt./IT-10/2013 dated 07.04.2016. In this module, the Godown Inspectors are required to generate WQSC against receipt of FAQ rice(CMR) by **Online Inventory Management System** against each truck / consignment of rice. **The District Controller, F&S, were required to sign in each copies of WQSC vide Order No. 186-SS/FS/O/SECTT/IT-10/2013 dated 5th July/2017. It requires huge paper works and time in compiling the CMR delivery in a particular district.**

To overcome the constraints, a single **Consolidated WQSC** module has been developed by combining all individual WQSCs against a single Delivery Order of CMR. Now therefore in partial modification of aforesaid orders, the implementation of the inventory management software will be in operation from this KMS 2019-20, following the procedures described below:-

- a) The Delivery Order or the D.O., for delivery of CMR will now be referred as "Rice Received Order(R.R.O.)", henceforth.
- b) The R.R.O. shall be generated by the DCF&Ss, in online module, using their individual login id, against the offer, as submitted by the Rice Mills / CMR Agencies. The CMR Agencies / Rice Millers(for CPC purchase) shall be asked to submit the offer after custom milling of paddy, using the online module.
- c) The Godown Inspector-in-charge shall download the R.R.O., from online module or put down the system generated R.R.O. number in their individual User ID & Password. They shall generate online WQSC, against receipt of CMR for individual truck / consignment of Rice as it is in vogue now.
- d) After completion of the total quantum of the R.R.O., the Consolidated WQSC shall be generated against one R.R.O.
- e) This Consolidated WQSC Statement shall be signed by the Inspector / Godown-in-charge and the Inspector(QC), both, followed by the SCF&S/ADCF&S/DCF&S.
- f) The Original copy of the Consolidated WQSC Statement shall be submitted to the end of the DCF&S only. The duplicate or triplicate, if required, may be generated online and shall be marked as "Duplicate / Triplicate Copy". All copies shall be signed in blue / green color only.
